

GREEN SCHOOLS NOVA SCOTIA & EFFICIENCY NOVA SCOTIA MEDIA CONSENT FORM

WHAT IS GREEN SCHOOLS NOVA SCOTIA?

Green Schools Nova Scotia is a free environmental education program brought to you by Efficiency Nova Scotia. Green Schools Nova Scotia teaches students about energy efficiency and how to waste less. Green Schools works with the whole school—students, staff, parents, and community members—to foster a culture of energy efficiency; strengthen positive efforts; and help establish new leadership in schools. Want to learn more? Visit www.greenschoolsns.ca, find us on [Facebook](#), [Twitter](#), [Pinterest](#), [Instagram](#), [YouTube](#), or contact us at info@greenschoolsns.ca.

Green Schools Nova Scotia and Efficiency Nova Scotia believe in the need to protect all students, and recognize the issues around the publishing of student images. During an engagement, photographs, video and/or audio may be taken of students or their work. Efficiency Nova Scotia and/or Green Schools NS would publish this content to promote the achievements of the students and their schools. Images and/or audio of students or student work may appear in Green Schools NS and/or Efficiency Nova Scotia newsletters, news releases, annual report, media, website, YouTube, Facebook, Twitter, or Instagram accounts.

As the parent/legal guardian, I have read the above and understand the implications. I consent to Green Schools Nova Scotia and/or Efficiency Nova Scotia publishing my child's image (photo), grade, course, and school. This consent is limited to the purposes of recognizing and encouraging student achievement, building school community, and informing others about the Green Schools Nova Scotia program and activities.
